GENERAL INFORMATION

Welcome

Dear Students/Parents/Guardians:

Welcome to the 2025-2026 school year! The Special Education department, which includes teachers, administration, and support staff, are eager to provide a wonderful, engaging school year!

The purpose of this handbook is to acquaint you with the policies, regulations, and procedures of the classroom programs. This is a document that you can reference throughout the school year; please read it carefully and keep it on hand.

Together we can make this a great school year with opportunities and experiences to reach the fullest potential of all students. The staff look forward to working with you in supporting students with their learning goals.

If you have any questions regarding the information in this handbook, please feel free to reach out.

The Special Education Department looks forward to a wonderful school year with you and your student!

Sincerely,

Elizabeth Olsen, Principal

School Mission Statement

Continuously refining and implementing exemplary educational practices.

Program Overview

The Butte County Office of Education (BCOE) Special Education Department provides educational services to individuals with special needs ages birth through 22 years. In addition to providing Designated Instructional Services (DIS) to local school districts, the department operates Mesa Vista School as well as individual classrooms on general education campuses throughout Butte County. BCOE programs and services include:

Designated Instructional Services (DIS)

The following DIS are provided to eligible students who have active Individualized Education Programs (IEP). School staff are credentialed in the appropriate area of specialty.

- Adapted Physical Education
- Collaborative Behavior Interventions and Inclusion Support
- Nursing Services
- Occupational Therapy
- Orientation & Mobility Education
- Orthopedic Impairment Education Services
- Speech & Language Therapy
- Visual Impairment Education Services

FOCUS Program (Program for Students with Extensive Support Needs)

This program includes specific instruction and services to students with extensive support needs from ages 5-22. Curriculum and instruction emphasize skills acquisition in functional academics, vocational skills, community-based

skills, leisure skills, self-help skills, social skills and behavior skills. Classrooms are staffed with a credentialed teacher and instructional paraprofessionals.

ACCESS Program (Program for Students with Emotional Disturbances)

This program provides an intensive school-based therapeutic program and is offered for students in kindergarten through eighth grade. Classrooms are staffed with a credentialed teacher, licensed therapeutic clinician, and instructional paraprofessionals.

Deaf and Hard of Hearing Program (DHH)

This program is for preschool through twelfth grade students who are deaf or hard of hearing. The program includes direct academic instruction, consultation language remediation, auditory training, sign language, total communication, monitoring of hearing aids, maintenance of amplification equipment, interpreter services, and collaboration with other professionals and families. Classrooms are staffed with a credentialed teacher, educational sign language interpreters and/or instructional paraprofessionals.

Education Specialist Program

This program offers instructional services provided to eligible students with learning disabilities who require small group or individual instruction in Butte County Office of Education's Court and Community Schools as well as Charter Schools operated by BCOE.

Early Education, Infant and Toddler Program

This program provides services to eligible students from birth to 36 months. The educational team is composed of specialists designed to meet the unique needs of each student. The collaborative team works with families to provide instruction and related services through the development of an Individual Family Service Plan (IFSP). Services can include assessment, direct instruction, collaboration and support for families, speech therapy, occupational therapy, and transition planning.

Dates to Remember

On account of the distribution of BCOE Special Education classrooms across differing school campuses throughout Butte County, important dates and events will differ based on location. Contact the school office where the student attends, or the Mesa Vista office for more information regarding dates to remember.

School Calendar

Each BCOE Special Education classroom program follows the calendar of the school district where the classroom is located. Classrooms located at Mesa Vista follow the Oroville City Elementary School District calendar. See Appendix.

Daily Schedule

Each BCOE Special Education classroom follows the daily schedule of the school site where the classroom is located.

Mesa Vista School	Arrival/Departure:
Regular School Days	8:30 a.m. - 2:30 p.m.
Minimum Days	8:30 a.m. - 1:30 p.m.
Mesa Vista Office – Staff Hours:	7:30 a.m. - 4:00 p.m.

Staff Directory

Elizabeth Olsen, Principal	532-5740 x1020
Ashley Duitsman, Sr. Admin. Assistant	532-5740 x1001
Barbara Vulaj, Sr. Admin. Assistant	532-5740 x1000
Rebecca Dewitt-Biggs, School Nurse, RN/PHN	532-5740 x1018
Brandi Becker, School Nurse, RN	532-5740 x1029
Marina Jenkins, Health Aide	

Enrollment and Disenrollment

All students must have a complete enrollment packet on file in order to attend BCOE Special Education Programs. For returning students, enrollment must be completed via updating the Aeries Parent Portal prior to the first day of the school year. New students must create an Aeries Parent Portal account and complete the online registration prior to the student's start date.

Students who participate in general education classrooms on the school site must also complete an enrollment packet with that school.

Students/Parents who are interested in enrolling in a BCOE Special Education Program must have a referral in place from their district.

Handbook Accessibility (print and web)

Parents may request a hard copy of this Handbook at the Mesa Vista office, or it may be accessed on the website.

BEHAVIOR

Student Expectations

All students are expected to:

1. Act in all instances so as not to infringe upon the rights of others or to endanger their own or another's private property or person.
2. Refrain from physical violence or threat of physical violence on campus.
3. Be considerate in their relationships with other students, teachers, and staff.
4. Keep their language, clothing, and gestures respectful and free of profanities and obscenities.
5. Follow all rules and procedures on the school campus where their classroom is located.
6. Keep hands, feet, and objects to themselves (this includes roughhousing and "playing around").
7. Follow classroom procedures established by each teacher.
8. Interact appropriately (this includes no excessive displays of affection).

School Rules, Discipline and Student Conduct

Along with following the rules of the school site where classroom programs are located, BCOE expects students to arrive at school ready to learn and be an active participant in their education. At Mesa Vista School, Positive Behavior Interventions and Supports (PBIS) is utilized to assist and support students in following school rules and encourage positive conduct. PBIS is an evidence-based approach in creating a learning environment where all students are successful and supported using schoolwide positive language and support. Through the use of prompting, pre-corrections, and positive acknowledgments, schoolwide expectations and behaviors are developed, encouraged, and supported for overall student success. PBIS encourages a cohesive foundation for positive behavior expectations and outcomes in the school setting.

Dress and Grooming

Students' dress and grooming is expected to meet the standards of the campus on which their classroom is located. Additionally, BCOE Special Education programs do not allow clothing, haircuts, jewelry, etcetera, that:

- Threatens the health or safety of others
- Prohibits full participation in the educational program
- Distracts and keeps students from learning
- May indicate gang membership or association
- Promotes alcohol, illegal drug use, or paraphernalia associated with illegal drugs
- Encourages prejudice against others on the grounds of national origin, ancestry, race, color, religion, gender, sexual orientation, age, or disability
- Leads to disciplinary problems at school or during school-related activities
- In general, is deemed inappropriate or distracting to the learning environment

Care of School Materials and Repayment

Students are expected to be respectful of school materials. In order to ensure that the school's equipment and grounds are kept nice for our current and future students please take some time to discuss this with your students.

Misuse of Materials and Technology

All students and parents must agree to the *BCOE Acceptable Use Policy* which specifies proper and appropriate use of school technology, including computers, tablets, and other electronics when school issued technology is used. Students who violate the *BCOE Acceptable Use Policy* are subject to disciplinary action.

Student Cell Phones and Personal Items

Students are discouraged from bringing cell phones to school. If a student does bring a cell phone to school, they may not use their cell phone while in class. Exceptions may be made when permission is given by the teacher or another staff member. Teachers may require students to store their cell phones in a designated area. Students are also discouraged from bringing non-instructional items to school.

The school is not responsible for the loss or damage of student's phones.

The school is not responsible for the loss or damage of student's personal property.

Sexual Harassment

Sexual harassment is illegal and will not be tolerated. BCOE Special Education prohibits sexual harassment as well as harassment based on race, religion, color, national origin, physical or mental disability, marital status, age, sex, sexual orientation, medical conditions or any other basis. Any form of harassment is considered a major offense and as such is subject to discipline.

Suspension

While the program's main objective is to keep students in school, suspension is sometimes considered for serious incidents or cases involving severe behavior. When a student is exhibiting behavior that is unsafe for them or others, or when their behavior significantly disrupts the learning of other students, suspension may be considered. Suspensions are a legitimate outcome when any student has:

- Possessed, sold or otherwise furnished any firearm, knife, explosive, or any other dangerous object
- Unlawfully possessed, used, sold or otherwise furnished, or been under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind
- Significantly disrupted the learning of other students
- Caused, attempted to cause, or threatened to cause physical injury to another person
- Committed an obscene act or engaged in habitual profanity or vulgarity
- Caused or attempted to cause damage to school property or stolen or attempted to steal school property
- Caused or attempted to cause damage to private property or stolen or attempted to steal private property

Upon return to school following a suspension, a conference shall be held with the student and/or parent to determine possible support to prevent the behavior in the future which caused the suspension.

ACADEMICS

Academic Policies

Teachers design instruction based upon the California State Standards and student IEP goals. Additionally, students are supported in their educational goals, whether that be on a path toward a diploma or a certificate of completion.

Academic Integrity

Students in BCOE Special Education Programs are expected to demonstrate honesty and abide by the highest levels of academic integrity. Parents will be notified when students are found cheating or exhibiting other forms of dishonesty. An IEP meeting will be scheduled for students who repeatedly engage in these behaviors to discuss support that may be necessary.

Core and Elective Courses

BCOE Special Education classrooms provide instruction in all core content areas as well as areas indicated on student IEPs. Instruction in the classrooms aligns with the general education of school site classrooms to the greatest extent possible.

Students have access to the General Education Core and Elective Courses at the school site where their classroom is located. Please consult the specific school site's School Handbook for more information.

Homework, Make-up Work, Extra Credit

Teachers may assign homework to reinforce concepts students are learning at school. Parents are encouraged to support their student with homework assignments.

Graduation Requirements

Graduation requirements are determined by the school of primary enrollment. This is most often the school site where a BCOE classroom is located. For specific requirements please consult the school site's School Handbook or the student's teacher directly.

State and Local Assessments

The California Assessment of Student Performance and Progress (CAASPP) is the state academic testing program. CAASPP is a system intended to provide information that can be used to monitor student progress on an annual basis. CAASPP assessments include computer adaptive tests in English-Language Arts (ELA) and Mathematics for students in grades 3-8 and 11, as well as a Science test for students in grades 5, 8, and high school. The alternate assessment, known as the California Alternate Assessment (CAA), is administered to students with significant cognitive impairments when indicated in the student's IEP.

The English Language Proficiency Assessments for California (ELPAC) is the required state test for English Language Proficiency (ELP) that must be given to students whose primary language is a language other than English. Students who are identified as having the most significant cognitive disabilities are designated to take alternative assessments in their IEP. Those who are identified as an English learner (EL) participate in the Alternate ELPAC.

The Physical Fitness Test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students begin and sustain life-long habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.

In addition to State Assessments, local assessments are used to monitor student progress and to adjust instruction. Special Education programs utilize i-Ready, Write Score, and SANDI, along with other local assessments used at district sites.

Student IEPs indicate the appropriate assessments that students participate in each year. They also list the appropriate designated supports and accommodations to implement during the assessment, as agreed upon by the IEP team.

Grades and Repeating Classes

Student report cards and/or progress reports will be provided to parents following the report card/progress reporting schedule of the school site where the classroom is located. A conference or IEP meeting may be scheduled at any time to discuss student progress.

STUDENT HEALTH AND SUPPORTS

Guidance and Counseling Programs

Educationally Related Mental Health Services (ERMHS), counseling, and other mental health supports are provided when deemed a required service per each student's IEP.

Medical and Medication

Medication

1. Parents/Guardians must arrange with the nurse for the dispensing of any prescription or over-the-counter medication to students during the school day.
2. Parents/Guardians must complete a Medical Authorization Form prior to their student taking medicine at school.
3. Prescribed medication must be in the original bottle and have specific instructions for use from a licensed physician who has the responsibility for the medical management of the student.
4. All medications (including over-the-counter drugs like aspirin or Tylenol) must be managed through the nursing office.
5. Non-prescription drugs (e.g. aspirin) are not available at school.
6. Epinephrine auto injectors are stored in an accessible location upon need for emergency use. EpiPen(s) are located in a marked box on the wall of the nursing office at Mesa Vista School.

Nursing

1. The BCOE nurse and/or 911 are called in emergency situations.
2. There are no facilities at school to serve sick or injured students for an extended time. Parents will be called immediately when students are too ill to remain in class.

Comprehensive Sexual Health & HIV/AIDS Instruction

Comprehensive Sexual Health & HIV/AIDS Instruction are offered in grades 7, 8, and at least once in high school. Students who are mainstreamed in general education classes may participate in instruction through the school site as appropriate. Students that do not attend general education classes will have the opportunity to be educated by a trained certificated teacher using modified curriculum.

Suicide Prevention

BCOE Special Education programs adhere to the BCOE Suicide Prevention Policy. All staff are provided with resources and training in Suicide Prevention.

Married, Pregnant, and Parenting Students

Students who are married, pregnant, and/or parenting will be provided reasonable accommodations specific to the student's need. Reasonable accommodations for a lactating pupil shall not incur academic penalties and may include, but are not limited to, access to a private room for breast feeding or use of other equipment, permissions for lactating equipment to be on campus, access and time to use such equipment, and/or storage of expressed breast milk.

Food Services

Students may participate in the School Meal Program offered at the school site where their classroom is based. Mesa Vista students may participate in the Nelson Avenue Middle School Breakfast and Lunch Program.

Dangers of Synthetic Drugs

Synthetic drugs are chemically created in a lab to mimic another drug. These typically have a different effect on the brain or behavior. Because these drugs are created in illegal labs, their ingredients are impossible to know. For resources, visit the United States Drug Enforcement Administration (DEA) website at www.dea.gov/recovery-resources

SAFETY

Data and Student Privacy

The Federal Children's Internet Protection Act (CIPA) and the Children's Online Privacy Protection Act (COPPA) require schools to take internet protection precautions that include blocking or filtering internet access to pictures that are obscene, pornographic, or otherwise harmful to minors. Moreover, a school's internet safety policies must include monitoring online activities and education of minors about appropriate online behavior. This includes interaction with others through use of social networking, emails, chatting, or other electronic communication; particularly relating to cyberbullying, harassment, threats, or other misuse of electronic communications. Additionally, BCOE knows the importance of protecting student data and has installed multiple measures to protect the data of all students.

Emergency Procedures

BCOE Special Education Department is committed to providing a safe, secure, and nurturing environment for students, families and employees. BCOE last revised its Comprehensive School Safety Plan for all BCOE schools/programs in 2025 and has adopted this plan for the 2025/2026 school year. The plan includes all state mandated components to be included in a school safety plan, an extensive incident command and response

section, tactical considerations with the first responder input, and is referenced in the annual school; accountability report card prepared pursuant to Education Code Sections 33126 and 35256. The Comprehensive School Safety Plan is reviewed, updated and adopted by each school within BCOE, each year, as part of BCOE's overall school safety program. As required by state law, the department practices monthly fire, earthquake, and/or lockdown drills. It is important that the school has a current phone number and/or email address on file so parents/guardians can be readily updated on events.

Annually BCOE school staff complete online training in required emergency procedures.

Comprehensive School Safety Plan

All BCOE schools have in place a Comprehensive School Safety Plan which is available for review by parents and students at the school site. The Butte County Office of Education's Comprehensive School Safety Plan provides support and guidance in responding to emergency situations. This plan includes procedures for lockdowns, relocation of students and staff, and parent/student reunification. Additionally, all BCOE schools report on the status of the school safety plan, including a description of the key elements in the annual School Accountability Report Card. School Safety Plans are to be implemented throughout the year and are to be reviewed by all school site councils by March of each school year. A copy of the Comprehensive School Safety Plan is available for review at the school office.

Volunteers and Visitors

The BCOE Special Education Department values and enjoys having parents and community members visit classrooms. All visitors must sign-in at the Main Office of the school site where the school's programs are located and follow the Visitor Policy of that site. At Mesa Vista, all visitors are required to sign in (date, time of visit, and reason for visit) and sign out with the school front office staff. Visitors must also wear an identification tag while on campus. Identification tags are provided when signing in.

Classrooms may only be visited with prior approval from the administration.

Field Trips and Transportation of Students

Field Trips

Field trips are recognized as an integral part of the instructional program. Students must have a permission slip on file to participate in any field trip. Adult participants must also complete an Adult Participant field trip form in order to attend any field trip. No student will be excluded from a field trip due to an inability to pay any necessary fees.

Transportation

The District of Residence provides transportation for students who are eligible. Please contact the District Transportation Department when your student is going to be absent or if you have questions regarding transportation.

Thermalito Union Elementary School District	538-2960 x3

Procedures for Student Injury

When a student injury occurs, the school nurse and/or health assistant is notified immediately and will respond accordingly. The school nurse or health assistant will notify parents/guardians when appropriate. In the case of injury leading to an emergency, the school will call Emergency Medical Personnel. The school will also notify parents/guardians whenever emergency personnel are called.

Annual School Climate Survey

BCOE Special Education administers a School Climate Survey annually in order to assess and improve the climate of school programs. The data provided helps guide decisions to sustain and/or enhance the school climate.

Firearms Parent Notification

Parents and Legal Guardians of all students in the Butte County Office of Education have a responsibility for keeping firearms out of the hands of children as required by California law. There have been many reports on the news regarding children bringing firearm(s) from his or her home to a school site. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

ENGAGEMENT

Communication, Conferences and Staff Accessibility

Students' learning time is of the utmost importance to Butte County Office of Education. Interruptions to the school day will be kept to a minimum. Teachers are available before and after school for conversations.

Parent-Community Engagement Opportunities

Parents are welcome and encouraged to participate in events at their student's school. Events such as Back to School Night and Open House are scheduled annually at district school sites as well as Mesa Vista School. Information about these events may be sent home from teachers, found on the school's website, or by contacting the school's front office.

Additionally, events are scheduled at Mesa Vista School that are open to all students and/or parents in the BCOE Special Education classrooms. These events provide an opportunity to meet other community members throughout the county. Information regarding the events will be shared throughout the school year.

Parents who are interested in volunteering in their students' classroom must adhere to the volunteer procedures for BCOE schools and the school site where their student's classroom is located. If interested, contact the Main Office at Mesa Vista School for specific guidance and opportunities.

SCHOOL SITE STAFF

Staff Professional Learning

Teachers and support staff regularly participate in Professional Learning to expand their knowledge and expertise in providing high quality instruction to all students. Professional Learning is provided through various organizations, agencies, and neighboring districts and counties, including in-house trainings by BCOE support services.

ATTENDANCE

Pupil Attendance and Absences

The BCOE Special Education Department believes that regular attendance plays a critical role in every student's education. The teachers and staff look forward to seeing students every day. Please remember that absences affect a student's progress on IEP goals. An IEP meeting will be called to discuss a student's progress when there are excessive absences for any reason. If a student is absent, verification of the reason for a student's absence should be provided in one of the following methods:

- 1) Written note from the parent/guardian, parent representative or student if 18 or older.
- 2) Conversation, in person or by telephone, between the school and the student's parent/guardian or parent representative.
- 3) Physician's verification:
 - a. When excusing students for confidential medical services or verifying such appointments, school staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.
 - b. When a student has had 6 absences in the school semester for illness verified by methods listed in #1-3 above, the principal may require that any further absences for illness must be verified by a physician.

Parents/guardians will be notified in a timely manner if their student is absent from school without permission.

Late Arrival and Early Departure Instructions

If a student arrives late to school, the student should be signed in at the front office by the parent.

If a student needs to be picked up early from school, the student must be signed out in the front office by a parent/guardian or an approved adult on the emergency contact list.

Truancy

A student with three (3) unexcused absences is considered truant. Parents will be notified by mail when their student has accumulated three or more unexcused absences.

APPENDIX: STATE AND FEDERAL REQUIREMENTS

AB2022 Mental Health Services

Mental Health Services Act

Pursuant to Education Code Section 49428 as amended by AB2022 in September 2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate

access to available pupil mental health services on campus or in the community. Any pupil and parent or guardian of a pupil may refer a student for mental health services by contacting the school administrative office. A school counselor and/or school psychologist can also provide information about other options to access mental health services within the community.

To access mental health services within the community, please contact the Butte County Department of Behavioral Health or other mental health agency. Please see the school's website and scroll to the bottom and click on AB2022.

TRANSITION SERVICES

Disability Benefits 101

Many people with disabilities fear that if they go to work, they'll lose needed health care and other disability benefits. DB101 helps people with disabilities and service providers understand the connections between work and benefits. DB101 will help you make informed choices and show you how you can make work part of your plan.

ca.db101.org

Genetically Handicapped Persons Program (GHPP)

The GHPP is a health care program for adults with certain genetic diseases. It helps people who are on GHPP with their health care needs. It works with doctors, nurses, pharmacists, and other members of the health care team in providing many types of health services.

GHPP

(916) 552-9105 (option #2)

Acknowledgment of Receipt

Butte County Office of Education

2025-2026 Acknowledgment of Receipt and Review

Dear Parent/Guardian:

The Butte County Office of Education is required to annually notify parents and legal guardians of minor students, their rights and responsibilities in accordance with Education Code section 48980.

Should your child be enrolling in Butte County Schools for the first time, a copy of your child's school records will be requested from the child's former school. You have a right to receive a copy of the record and a right to challenge the content of the record. If you have any questions, or if you would like to review specific documents mentioned in the notice, please contact the school office.

Please complete the "Acknowledgment of Receipt and Review" form below and return it to your child's school.

ACKNOWLEDGMENT OF RECEIPT AND REVIEW

Pursuant to Education Code section 48982, the parent/guardian shall sign this notice and return it to the school. Signature on the notice is an acknowledgment by the parent or guardian that he or she has been informed of his or her rights and does not indicate that consent to participate in any particular program or activity has been given or withheld.

Student Name: _____

School: _____ Grade: _____

Parent/Guardian Name: _____

Address: _____

Home Telephone Number: _____

Signature of Parent/Guardian (if student is under 18) Date: _____

Signature of Student (if student is 18 or older) Date: _____
