Jeff Arnett, Principal
Silicon Valley Career Technical Education Center
760 Hillsdale Avenue, Bldg. 800
San Jose, California 95136

Dear Jeff Arnett:

Based on the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) mid-cycle visit, it has been determined that Silicon Valley Career Technical Education Center (AD) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the school's progress report, and the satisfactory completion of the mid-cycle accreditation visit.

Silicon Valley Career Technical Education Center's accreditation is now reaffirmed through the end of the current accreditation cycle ending on June 30, 2029.

Accreditation status is conditioned upon Silicon Valley Career Technical Education Center's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Silicon Valley Career Technical Education Center's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

Barry R. Groves, Ed.D.
President
