Supplemental Employee Retirement Plan – Classified and Management 2026-2027 Year-End

WHAT IS SERP?

The Supplemental Employee Retirement Plan (SERP) is a District-sponsored plan, which provides participating employees with a monthly income in addition to their regular STRS or PERS benefits. Keenan Financial Services is the contract administrator who works with the district to design and implement the SERP. We understand that the decision to retire may be difficult for some and that this program may not be suitable for everyone. Please remember that this is a voluntary program and attending the informational meetings is not an obligation on your part to retire.

ELIGIBILITY GUIDELINES

An employee will be eligible for the District's SERP provided he or she meets the following guidelines:

1. Employee must be a current Certificated, Certificated Management, Classified, Classified Management, or Confidential employee of the District as of the date of adoption of the Board resolution.
2. Employee must be at least 55 years of age by June 30, 2027.
3. Employee must have at least five (5) years of service with the District by June 30, 2027.
4. Employee must retire or resign from the District by June 30, 2027.
5. Employee must submit a Separation Form indicating resignation and SERP Enrollment Packet by November 20, 2026.

IMPORTANT: If the Bonita Unified School District does not have enrollment of at least 12 Certificated staff in the SERP, the District may rescind the plan. If the District chooses to rescind the SERP plan, employees may revoke their letters of retirement or resignation.

For those choosing a Lifetime or 10-year payment options, federal tax withholding will be determined based on a completed IRS Form W-4P.

When federal taxes are withheld, California state tax is automatically calculated at the default rate of married with 3 allowances. If you would like to ensure California state taxes are withheld, please email us separately after completing your SERP application.
